Tuition Policy

- Tuition is charged **monthly** and is due regardless of the number of instructional days within a particular month.
 - Tuition is structured in accordance with the **Ministry of Education, Trinidad and Tobago** academic calendar.
 - Monthly tuition reserves your child's place and contributes to staffing, educational resources, utilities, insurance, maintenance, and the daily operation of the school.
-

Teacher's Assistant Support

Students requiring individualized support from a dedicated Teacher's Assistant will incur an additional fee of **TT\$850.00 per month**.

This fee covers the continued employment and availability of the assigned Teacher's Assistant. As staffing commitments remain in place throughout the month, this fee remains payable regardless of attendance or shortened academic periods.

Tuition Adjustments

Where Ministry-approved calendar adjustments result in fewer instructional days during a month, tuition remains payable.

At the discretion of the Institute, the **maximum tuition adjustment or discount that may be granted is 5% monthly**, as the school continues to meet its financial obligations, including staff salaries, operational expenses, and educational services.

Payment Information

- Tuition is payable **monthly**.
- Fees are due on or before the established payment date each month.
- Late payment fee of \$50 daily, including weekends is the school's Payment Policy.
- Tuition and applicable fees must be kept current for students to continue receiving academic services and school resources, unless an approved payment arrangement has been made with the Administration.

We appreciate your partnership and thank you for entrusting Precision Educational Institute with your child's education.
